## The perfect home theatre TV for modern apartments

The Vu Vibe Designer's Vision TV has especially been created to for apartments which have space constraints with an unmatched blend of premium features such as a Dolby Vision QLED screen, easy-to-use Google TV OS, 88W integrated Dolby Atmos soundbar and all the important casting and upscaling features in a sleek, home-friendly design.

# The World's First TV with Integrated Soundbar

Specially designed, developed and innovated at Vu New Product Development Lab, the Vu Vibe DV has been exclusively made for dialogue clarity for subtitle-free content viewing. No more struggling to hear what the actors are saying on your favourite show, the Vu Vibe DV along with Dolby Atmos make it the perfect TV to create a vibe with crisp speech and smooth music sound together.

# The World's First TV with WIFI Remote

Keeping in mind the drops in internet quality in India, Vu has added a WIFI hotkey to quickly access the network settings. You can adjust picture & sound settings for Cricket Mode (better ball visibility) and Cinema Mode (made to emulate the movie theatre experience) while selecting what to watch with the Voice Remote button.

## SOUNDBAR

This isn't just sound it's a vibe. With a built-in powerhouse sound system that drops bass like Beyoncé live, the Vu Vibe DV turns your living room into a full-blown concert. Every beat hits harder, every whisper feels closer. No sound bar. No extras. Just pure, plug-and-play audio magic.
